## Professional Summary

Highly motivated and detail-oriented Full Stack Developer with expertise in both front-end and back-end development. Skilled in building responsive, user-friendly web applications using modern technologies such as React.js, Node.js, and PostgreSQL. Strong understanding of database management, RESTful APIs, and cloud-based services. Certified in CompTIA A+ with a solid foundation in computer hardware, troubleshooting, and software development. Passionate about delivering high-quality solutions and continuously improving skills to stay ahead in the tech industry.

## Skills

- Programming Languages: HTML, CSS, JavaScript - Front-End Technologies: React.js, Bootstrap - Back-End Technologies: Node.js, Express.js - Database Management: PostgreSQL - Version Control: Git & GitHub - Other Skills: Responsive Web Design, RESTful APIs, Debugging & Troubleshooting, Cloud Services - Certifications: CompTIA A+

## Education

Front-End Development Diploma (Coursera | Completed: September 2023)

- Learned modern front-end development frameworks and tools, including React.js and responsive web design principles.
- Developed dynamic and user-friendly web applications through hands-on projects.

Back-End Development Diploma (Coursera | Completed: October 2024)

- Gained proficiency in back-end technologies such as Node.js, Express.js, and PostgreSQL.

- Designed and implemented RESTful APIs for scalable web applications.

## **Work Experience**

Freelance Full Stack Developer (2024 - Present)

- Developed and deployed full-stack applications using React.js, Node.js, and PostgreSQL.
- Designed interactive dashboards with CRUD functionalities for blog posting and user management.
- Integrated authentication systems and third-party APIs to enhance application features.
- Collaborated with clients to customize web solutions based on their business needs.

## **Projects**

- Blog Management System: A full-stack application with dashboard functionality where users can create, update, and delete blog posts. Built with React.js, Node.js, Express.js, and PostgreSQL.
- E-Commerce Website: Designed and implemented a user-friendly online store with product filtering, authentication, and payment integration.
- Portfolio Website: Built a responsive portfolio website to showcase personal projects and skills.

## **Certifications**

- CompTIA A+ (Self-Taught via YouTube)
- Front-End Development Certification (Coursera)
- Back-End Development Certification (Coursera)

## **Languages**

- English (Fluent)
- Somali (Native)
- Arabic (Intermediate)

## **Soft Skills**

- Problem-Solving
- Communication & Collaboration
- Time Management
- Critical Thinking
- Attention to Detail
